

# Delay in Pool Opening

The Western County Outdoor Pool is preparing to open on Memorial Day weekend Saturday, May 27, 2006. The facility is undergoing some renovations to improve the quality of the pool. Expenditures for a new white coat for the main pool is expected to exceed \$40,000.

We are also getting new playground equipment. We are sorry that the main pool may not be ready for opening weekend. The white coat work is weather sensitive and, with recent rain, work has been delayed. However, other parts of the facility will be open for public use.

The Montgomery County Recreation Department Aquatics Section would like to thank you for your understanding, and hopes you will enjoy the Western County Outdoor Pool this summer.
